

### Spotcheck® Penetrant Kits SK-S General Purpose Kit

- Spotcheck visible penetrant kits quickly locate surface cracks.
- Easy to transport for field inspections.
- No UV light required because of vivid red color.
- Includes SKL-SP penetrant, SKD-S2 developer, SKC-S cleaner, accessories, instructions and carrying case.

### Zyglo Fluorescent Penetrant Kit ZA-60 Zyglo® Fluorescent Kit

- Zyglo fluorescent penetrant kits provide more sensitivity to locate fine cracks
- Inspections require darkened area and black light.
- Includes ZL-27A penetrant, ZP-9F developer, SKC-S cleaner, ZB-100 black light, accessories, instructions and carrying case.

### Y-6 AC Yoke Kit

- AC Yoke kit locates surface defects in ferrous parts.
- Dry and wet particles available to meet your needs
- Two kits available: fluorescent kit for UV inspections, nonfluorescent kit for daylight inspections.
- Each kit includes AC yoke with jointed legs, aerosol materials, instructions and carrying case.
- Kit with yoke only (no materials) is also available.

### SCRUBS In-A Bucket

- Scrub Towel Size: 10.5 x 12.25
- 72 Count per Container, 6 Buckets per Case
- Revolutionary premoistened hand cleaner towels that go where you go!
- Powerful, safe cleaning agents work together with an absorbent hand cleanertowel

### Magnaglo Fluorescent Kit

- Bath 14AM Magnaglo Bath, 6 aerosol cans
  - Cleaner SKC-S, 2 aerosol cans
  - Black Light ZB-1000 in plastic case, 100w, 115v, 60 HZ
  - Plastic case for material, can gun, wire brush, 6 wiping cloths and instructions.
- Used with yoke, coil or power supply
